

Project #3

FOCAL POINT

2-D Design

Vincent Baldassano, Instructor

Principles of Design

Objective: Emphasis/ Focal Point

Class work- 2 Parts

Create each of your designs on 8 x 10 inch Bristol board. This is your ground sheet.

The Design should emphasize a **Focal Point**.

Subject: YOUR CHOICE

Medium(s): Choose two (2) from this list :

- (1) collage
- (1) A design in pencil – Black/White or Color
- (1) A design using magic markers, crayons or the computer

Each of the works should emphasize Focal Point as stated above, however each project should be solved differently.

PART 1- should be Focal point by **contrast**

PART 2- should be Focal Point by **isolation**

***Please put your name and the project number, date and the method used in solving the problem on the back of each design.**

Due: 1 week from assignment
